

SAL Rep Meeting Fall 2019

The meeting was called to order at 7:30 by Roberta, League Chair

Introduction and Personnel

Hands raised up for new reps, welcome! Board introductions were made.

Roberta gave her contact info.

Use the chain of command: division reps first, then appropriate President, then league chair.

Coaches rep is for coaches to use as first point of contact for questions.

Scheduling rep is for reps and coaches to use for scheduling questions.

Mitchell is our new webmaster. Website is up and running!

Approval of Spring Minutes.

League Directory

Make sure your updated team Directories are in. There is a fine after midnight tonight!! You must send the entire template in for updates, do not just send in individual name updates!

Make sure your team name is correct. (CR, LMSD)

New: information must include number of lanes for swimming, number of diving boards, and if your club has a private changing area (gender neutral) for those who do not identify with a specific gender. This is per USA swimming rules which are followed by SAL. A suggestion was made to add a policy regarding this subject into our Bylaws.

Please make sure your teams have reviewed the operating procedures and bylaws. Also the Mandated Reporter laws.

League/team documents by midnight!

Insurance accords, Affidavits needed, Invitational letters of intent

Roster

Roster due date is October 9th by midnight! Can swim first few meets if on that initial roster.

Secondary roster is due October 23rd. This is the last date to be eligible for dual meet number one! Boys goes to Boys registrar, girls to girls. Register includes swimmers and divers.

Everyone is a swimmer. You are only a diver if you have a "D" and a designation (division code).

Diving Results:

Please make a paper copy. Mail to Gina. No signature required. You are responsible for your teams submission, do not count on the other team to send it! Swim is sent electronically. You may not Dive by yourself as a team.

NOTE

If you have to make up a swim or dive meet, it must be done within one week. Snow days are for snow only, not for technical or other issues. Use another make up night for those problems.

Schedule

Schedule of meets will be posted by next week!

Corrections- PR time trial is 20th not 19th. NP Trophy meet is 11/24, not 11/17.

NW and East have 6 teams. SW and Central have 5 teams.

There should be no reason for tri Meets.

Registrars:

Releases only go to registrars, not whole board

No need to state where the athletes are going, just that they are released from your team.

When a release is requested, please respond within a few days.

Ask for prior year roster from SAL registrars and double check new people to be sure you don't miss any releases. There is a system in place to avoid the fines. Use it!

Don't wait until the last night to submit roster in case there is a technical problem!

Put in names to sync up; be careful of preferred or nicknames, clean them up

Divers need a D in the subgroup column, also need your division code in the group column.

Additions: 10 day rule. The Wednesday the week prior, any additions need to be in to be eligible to participate in the next Saturday's meet.

Note: Make sure that all USA ids are correct. Databases must be cleaned up. Take out non renewals. New 500 fine if we have to spend more than 15 mins cleaning up your database.
